2. Delegates should have some Malaysian Ringgit (MR) to purchase a ticket (Taxi, Train or Bus). It's suggested to change at most US\$50 for transportation in the airport. You can later exchange money at the middle of the ground floor of MVM, the rate exchange rate is usually better than airport.
3. The expected time from KL airports to MVM are about 40 to 50 minutes if taking a taxi which costs about MR 80-100 (US\$ 25-30). Indeed, the price depends on their arrival time and if it is from 00:00 a.m. to 6:00 a.m. delegates will pay 20% extra, but it should not be more than MR 100 (US\$ 30).
4. Delegates may use a train which costs around MR 35 (US\$ 10) from KLIA airport to KL Central and it takes 20 minutes only. Delegates are then able to take another train (cost= MR 1 - US\$ 0.31) from KL Central to MVM.
5. Delegates may also take a bus paying only MR 10 (US\$ 3) from KL airports to KL Central which takes around 50 to 60 minutes, and then take another train or bus from KL Central to MVM with MR 1 (US\$ 0.31) less than 5 minutes.
